## National Study Visit and joint Deep Dive Program

- focus on facilitating the process of knowledge transfer, learning and best practices capitalisation process
- focus on sharing experiences with cluster management, employee training system
- focus on providing cluster services especially communication towards the cluster membership
- sharing experience in obtaining the GOLD Label by ESCA - preparation of documentation and preparation for 2 full days on-site assessment of two experts at the premises of the cluster organisation

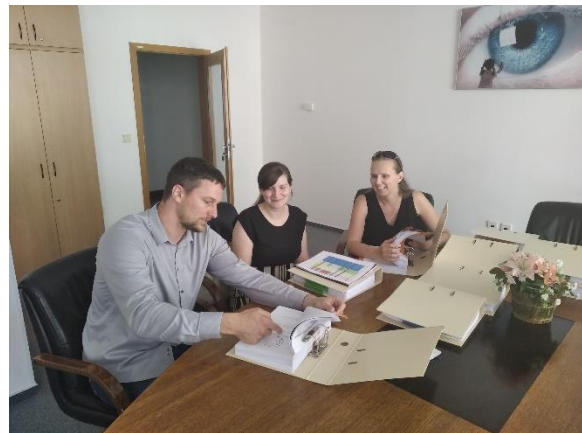

The National Study Visit with joint deep dive was held on Monday July 21, 2021 from 9 am till 2pm in the office in Prague of the Gold-labelled Cluster NANOPROGRESS – Ukrajinská 1488/10, 101 00 Prague 10, Czech Republic.

Participants:

Luboš Komárek – Chairman of the Board (NANOPROGRESS, z.s.)

Lucia Haraslinová – Chairwoman/Cluster Manager (Cluster of Czech Furniture Manufacturers)

Monika Perďochová – Project Manager (Cluster of Czech Furniture Manufacturers)

Luboš Komárek, Chairman of the Board, acquainted the representatives of the Cluster of Czech Furniture Manufacturers with the activities of the Gold-labelled Cluster, its management and shared examples of good practice not only of NANOPROGRESS, z.s., but also of its foreign partners. There was a very open and lively discussion about the possibilities of improving cluster management, training of cluster managers and especially about the possibilities of improving the services provided to cluster members. Great emphasis was placed on setting up proper communication with cluster members and other partners.

During the meeting, increased emphasis was also placed on the preparation itself for obtaining the ECEI GOLD Label „Excel in Cluster Excellence”, the preparation of documents and the preparation for 2 full days on-site assessment of two experts at the premises of the cluster organisation.
